Onboarding Guide for New Clubs

Welcome to KidsKonnnectUkraine! We are thrilled your club is joining our global community of change makers. At KKU, we bring together students from the United States and Ukraine to share stories, foster empathy, and build friendships that transcend borders.

OUR MISSION

Our mission is to create a digital bridge between American and Ukrainian youth, empowering students to connect, lead, and use their voices to shape a more peaceful and compassionate future.

FAQ

Q: How often are meetings?

A: Monthly or as much as you desire- virtual sessions, plus optional workshops and special events.

Q: Do we need prior international experience?

A: No! Just enthusiasm and openness to cross-cultural exchange.

Q: How do students apply for Ambassador roles?

A: Students may apply through our Youth Ambassador Program, with support from their school leads.

All ongoing information can be found on our website.

Q: Do we need a high level of English?

A: Our program has a place for everyone. You will improve your English along the way. Some projects also do not require a high level of English.
